Product Details

The iron curtain has crumbled and fallen and the Eastern Bloc has gradually released many of its hottest and most closely guarded secrets to the Western world. This year at The National Bowl we invite you to discover, encounter and lose yourself in a cavalcade of unique Russian tastes and experiences, which for hundreds of years have been withheld so fervently from the West.

As you arrive at the venue through a heavy snow storm, you will be given a warm welcome by our Cossack guards who huddle around a red hot brazier singing Siberian folk songs and greeting you with good cheer. Enter the venue and find it transformed by a myriad of contradictory sights and sounds that work together in curious harmony...

A beautifully frosted Christmas tree soars through the blizzard to the heights of the foyer, laden with shimmering crimson baubles and twinkling lights; the pure and heavy snow laden atmosphere is permeated by the wild sounds of a raucous party seeping from the adjoining bar…drawing guests like a magnet to the most happening party around; an irresistible blend of red hot groove and ice cool glamour. Dancers sway and grind in time with the beat, their lithe bodies covered in little more than oil and glitter, as blinding beams of light are emitted from the ice bar and glamorous aerial artists plummet from the ceiling.

Nostrovia promises to enclose guests in a swathe of good will, good fortune, good feelings and good times; and to send them home with a wealth of good memories.

And therin lies the secret essence of Nostrovia....

Our team of highly skilled Christmas party event managers are ready to take your call, so contact us today about our Milton Keynes Christmas parties or Christmas party venues in Milton Keynes.
