Product Details

For your chosen night in December, let us transport you from the bleakness of an English winter evening, to the bright lights of the Big Apple and the unparalleled excitement of Christmas celebrations at Studio 54. Renowned as being a melting pot of people; it's a place where the rich and beautiful happily rub shoulders with the wild, wacky and outrageous and where onlookers can feast their eyes on a veritable "human zoo" of amazing characters, a bizarre, self absorbed ecosystem.

As you arrive at the venue, savour the intermingling scents of roasting chestnuts, cinnamon and pine trees and as they waft into the crisp night air. Feel the exhilaration of a group of skaters wrapped up warmly in scarves, hats and gloves as they circle the giant Rockefeller Christmas tree, frosted lightly with snow and drenched with thousands of sparkling fairy lights. As you listen to the joyful melodies of well known Christmas classics, your spirits will lift and modern life will fade into the background as for a few hours you immerse yourself into a crazy, funky parallel world…

Our team of highly skilled Christmas party event managers are ready to take your call, so contact us today about our St Albans Christmas parties or Christmas party venues in St Albans.
